Our trained staff can help you find the OEM parts you need to extend the life of your IDX equipment and minimize

Fall Parts Feature Charge & Discharge Hopper

Hopper hanging on for dear life?

We have replacements in stock & ready to ship to you!

Hardworking Trucks Spring Spotlight

Westview Concrete Corp—Olmsted Falls, OH

Be our next hardworking truck! Submit your Schwing Legacy Truck photos to sales@integraldx.com

The IDX sales team was excited to be a part of this year's NRMCA Concreteworks in Kissimmee, FL. It was a great opportunity to meet producers from all over the country and show them our mixer truck and talk about how we can be a part of their future growth going forward. If you were unable to attend this year's conference to see our truck, don't worry as we will have two trucks in Las Vegas this January for World of Concrete 2022!

Our Sales Team is Growing!

Meet our newest addition to the team! Based out of Florida, Philip is our region sales representative for the Southern and East Coast states.
